want a big sib

This is a pale yellow form.

Hello and welcome to the Honors Program! One of the many perks of Honors is the Big Sibling Program. In it, entering freshmen are paired up with an upperclassman sharing similar interests and majors in the hopes of easing the transition from high school to college. The big sib can answer the questions you may have, direct you to friends and faculty for questions they can't answer, help you learn the ins and outs of life at Tech and in Cookeville, and be a friend.

And now for the form. By this point you've probably seen far too many forms asking you for your social security number and GPA, and you're afraid this will be yet another one. Well, put those fears aside; on this page, we're going to ditch the formalities and get down to the stuff that really matters: you. Not your ACT score, not your blood type, you. This information will be given to your Big Sib so he or she can get a good picture of who you are. So sit back, relax, and just be yourself for the next page.

Thanks! And we can't wait to see you!

What are you looking for in a Big Sib (i.e. someone to primarily introduce you around school or someone to hang out with, or maybe even both)?

Tell us why you chose TTU and give us any additional information you want your Big Sib to know. Try to give him/her a good picture of yourself, including stuff like what you look for in a friend, interesting places you've traveled and at least one random fun fact. Feel free to attach another sheet. This will really let your Big Sib know what you're like. (In other words, this is really important so don't skip it.)
